

DVR WALL MOUNT BRACKET KIT

The Kendall Howard DVR Wall Mount Bracket Kit safely secures devices such as digital video recorders, sensitive network appliances or even tower computers. Some of this equipment can be extremely heavy, making the task of wall mounting the enclosure a nightmare. With the DVR Wall Mount Bracket Kit you can easily and safely wall mount the Kendall Howard Security Lock Box.

- Includes two brackets per kit
- Made in the USA
- Limited Lifetime Warranty

FEATURES

Added Support - This two-piece kit provides added support when wall mounting the DVR Security Lock Bx, and when heavy components are installed.
