

8 OUTLET POWER STRIP

With the 8 Outlet Power Strip you can charge devices directly inside your network cabinet or enclosure. This power strip has an eight foot cord giving you room to maneuver it from inside the cabinet to a wall outlet. The 8 Outlet Power Strip is suitable with many network products including a LINIER® Full Size Server Cabinet, SOHO Cabinet, Corner Wall Mount Cabinet, and the Wall Mount Charging Station.

FEATURES

Quality Surge Protector - This 125V/15A surge protector is equipped with eight outlets to keep multiple devices running at their optimal level.

Compact Design - The 8 Outlet Power Strip has a sleek and compact design making it easy to store on rackmount shelves and between installed components if necessary.
