

PERFORMANCE SERIES® LAN STATIONS/WORKBENCHES: CORNER SERIES

The Kendall Howard Performance Corner Series® LAN Stations/Workbenches are modular and functional work stations designed to allow users to sit comfortably in their office or work area. Its unique design allows it to be placed in corners and use valuable space that might otherwise been left vacant. Users can sit comfortably at this work station and have plenty of leg room because this model does not include a lower shelf. The Performance Corner Series® LAN Station/Workbench requires a 48" by 48" square foot print and includes two adjustable upper shelves. Simply add the accessories needed to create the work station suitable for you. The Performance Series® LAN Stations/Workbenches are available in five stunning finishes: Folkstone, Hard Rock Maple, Caramel Apple, Serene Cherry, and African Mahogany.

- *Shown with optional casters (not included)
