

LAN STATION UTILITY DRAWER

The LAN Station Utility Drawer easily mounts under the surface of any Performance Series® LAN Station/Workbench. This simple storage drawer is great for storing tools, office supplies or anything else you need readily available, but would prefer to keep out of sight. The LAN Station Utility Drawer is available in five stunning finishes: Folkstone, Hard Rock Maple, Caramel Apple, Serene Cherry, and African Mahogany. Add the LAN Station Utility Drawer to your workstation to create an efficient storage solution.

- Easily mounts under the work surface
- Available in five stunning finishes
- Made in the USA
- Limited Lifetime Warranty

FEATURES

Sliding Drawer - The rails on the LAN Station Utility Drawer make it a breeze to slide your drawer in and out between uses.

Five Stunning Finishes - Make your LAN station/workbench one complete piece by adding the LAN Station Utility Drawer in the same finish as your workstation. The drawer is available in Folkstone, Hard Rock Maple, Caramel Apple, Serene Cherry, and African Mahogany.
