**Multi-Functional** - Simple, yet dependable makes the ACTT Collection perfect for a variety of environments such as schools, libraries, community centers, hotels, convention centers, and business facilities.

**Quality Construction** - Uncompromising leg construction and robust table tops offer a solid, durable solution that can withstand years of use, and multiple relocations.

**Various Table Depths & Widths** - We know training facilities vary in size. That is why we offer two depths (24"/ 30") and four lengths (36"/ 48"/ 60"/ 72") to suit applications in oversized and tight locations.

**Stunning Finishes** - Work surface and included modesty panel are available in your choice of five finishes to enhance or compliment your training rooms decor.

**Adjustable Leg Kit** - Standard leg kit allows you to adjust the height of the work surface from 28" to 35", perfect for grade schools and public service centers, which cater to various age groups.

**Easy to Assemble** - Whether assembling a single table or a whole classroom, installation is quick and easy with the use of standard hardware and tools. Durable surface features pre-drilled holes for the base and all accessories; only requiring a Philips head screwdriver to complete the job.

**Highly Mobile** - The locking caster kit allows training tables to be moved around by a single person, especially helpful to instructors who have to change their classroom layout on a frequent basis.
