## Server Cabinet *RB-DC Series*

2,300 lbs (1,043 kg) Weight Capacity

**RACK BASICS®**

**Rack Mounting Hardware Included**

### Features

- Available in 24U and 42U mounting heights.
- Available in 42.74" overall depth.
- Surface-mounted doors allow for full mounting depth utilization and include a locking swing handle.
- Included PDU cable trays for cable management and industry-standard vertical PDU installation.
- The top panel is easily removable for cable installation.
  - Includes generous cable access with brushed cable entry.
  - Includes fan venting compatible with **FK** fan kits.
  - Includes three (3) 2U Rack panel cover panels.
- Ships with doors and rails fully assembled and ready for installation on-site. Side panels come packaged inside the cabinet for on-site installation.
- Built-in joining kit speeds up the buying of multiple RB-DC cabinets within a row.

### Specifications

- Constructed in 16-gauge steel.
- Square hole mounting rails are constructed in 13-gauge steel, include rack unit indicators and are powder coat finished.
  - Rails easily adjust in-depth in 1/4" increments.
- Tested to 2,300 lbs (1,043 kg) of equipment load. Rated for up to 660 lbs (299 kg) rolling caster load rating.
- Grounding studs bonded to frame, side panels and doors.
- Finished in textured black powder paint.
- Meets PCI DSS (Payment Card Industry Data Security Standard) compliance requirements.
- RoHS Compliant.

### Included Components

- Steel frame with factory-installed levelling feet recessed casters and grounding studs.
- Two (2) pairs of adjustable depth EIA compliant square hole punched mounting rails.
  - Starter pack of (50) M6 screws, cage nuts and washers included.
- One (1) perforated front door (63% open area vented) with locking swing handle.
- One (1) perforated split/barn rear door (63% open area vented) with locking swing handle.
- Two (2) pairs of solid, split, locking and removable side panels.
- One (1) removable vented top panel with (6) hinged cable entry points.
- Two (2) PDU cable trays are mounted in the rear.

Part of the Rack Basics® line of economy rack solutions.

**Need a Solid Top Panel? The RB-DCST42 42 inch deep solid top is now available.**
